

Scheme - I: Constituents of DCPs.

FIG. 1A

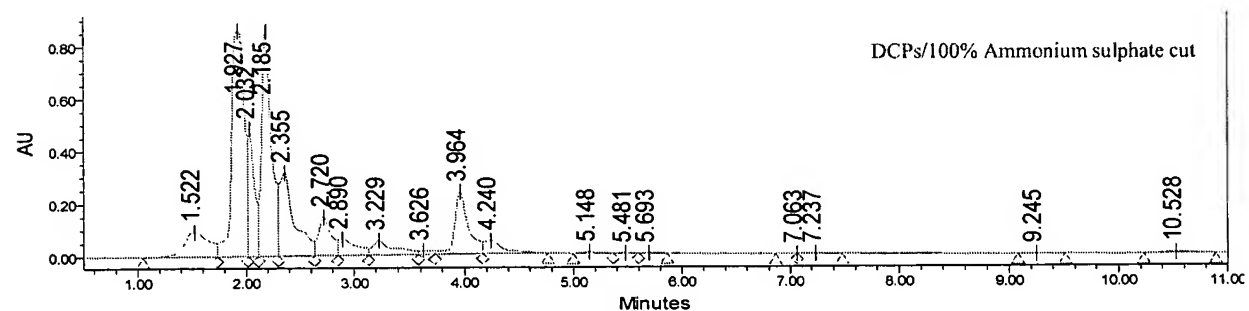

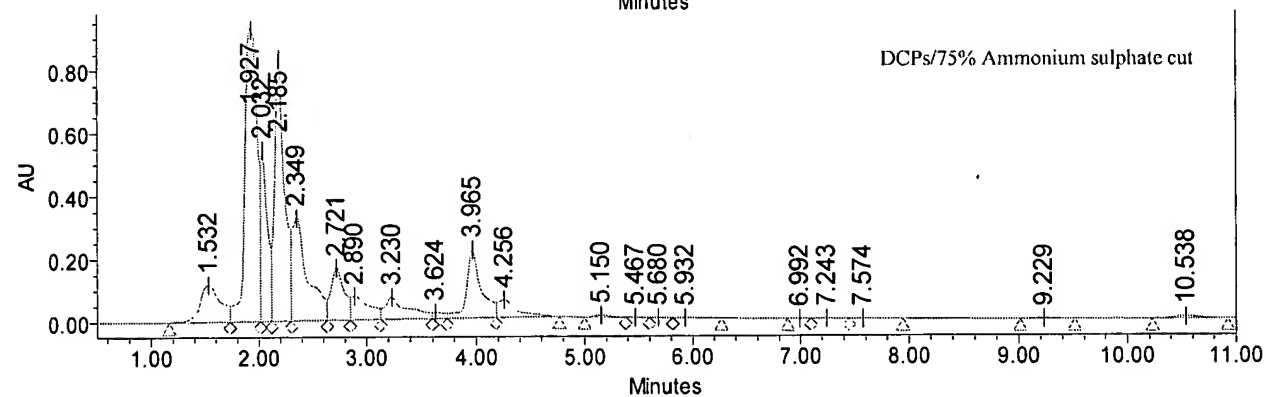

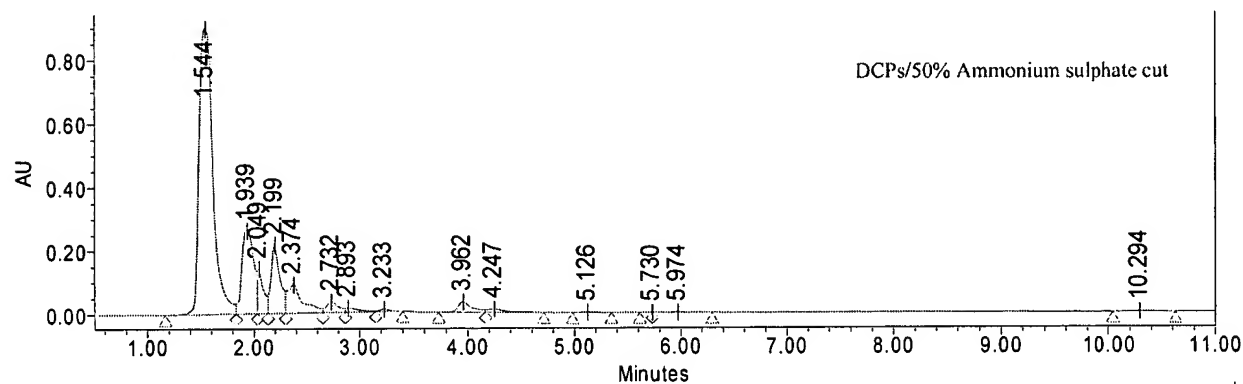

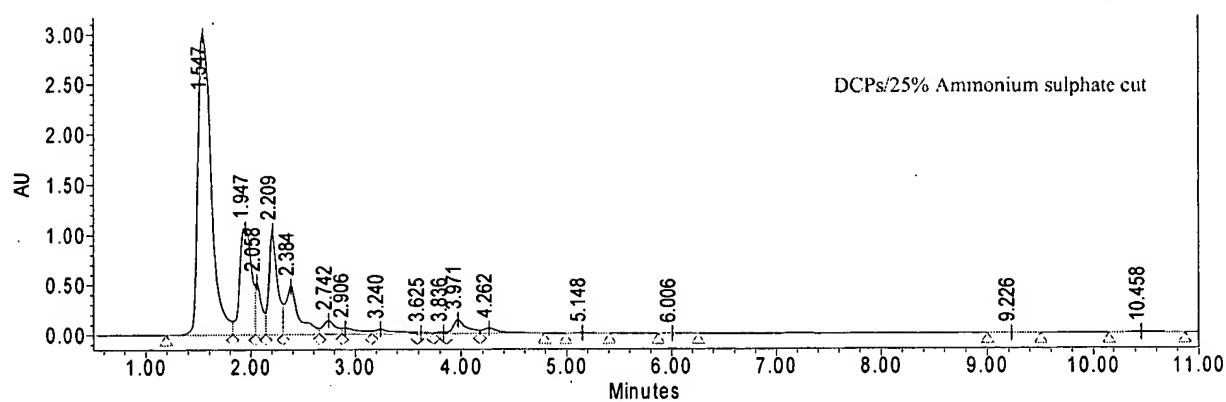

Structure-2: Constituents assembly of DCPs.

FIG. 1B

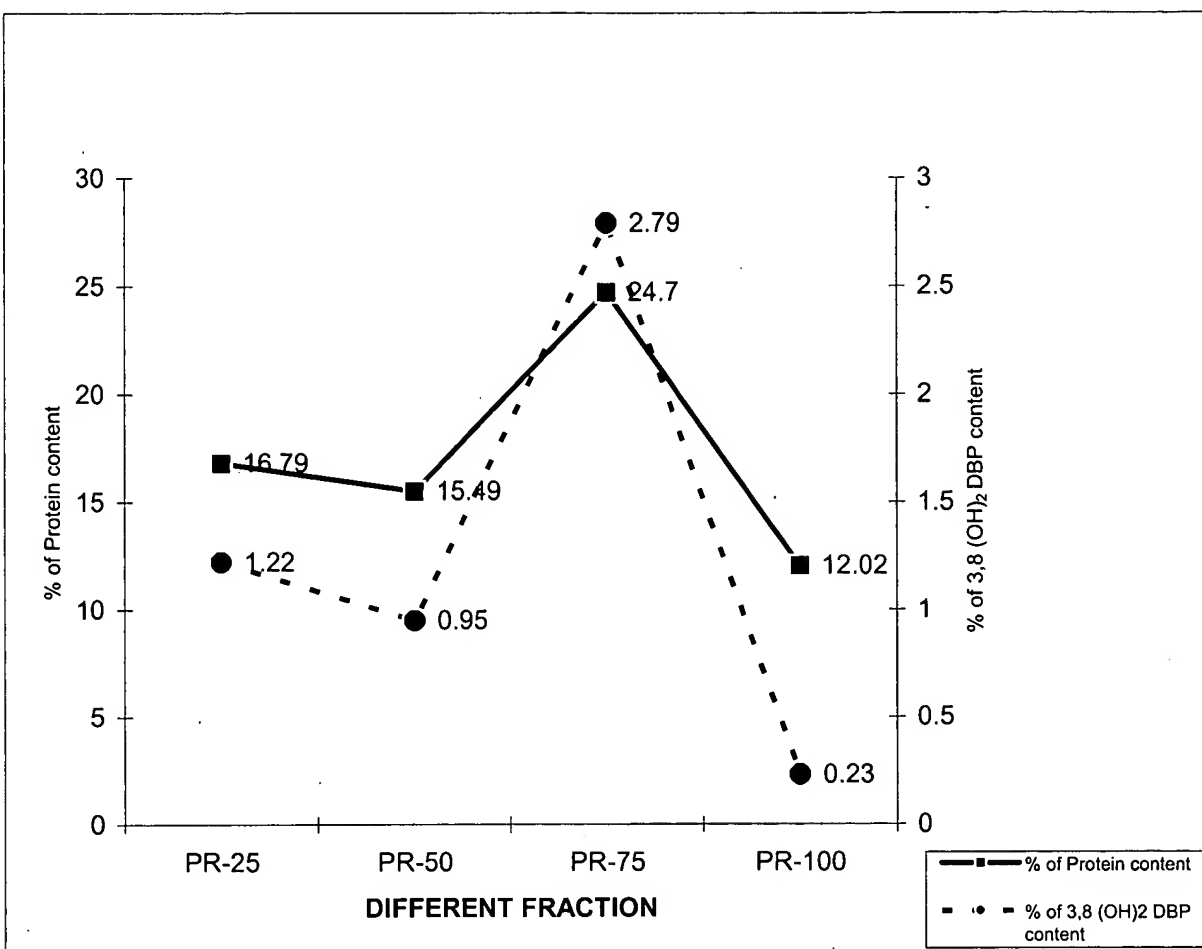

Changes in different DCP levels with time in RBC of DCP-fed albino rats. Dynamic turnover of four key compounds was noted.

FIG. 2

HPLC Chromatograms of shilajit DCPs from ammonium sulphate precipitations
FIG. 3

Relationship between 3,8-dihydroxy dibenzo- α -pyrone and protein fractions in DCPs.

FIG. 4
